MESSAGE FROM THE DEPARTMENT CHAIR

I begin with sad news that Professor Karen L. Dawisha passed on Wednesday, April 11, 2018 in Oxford, Ohio. Professor Dawisha was a member of the Department from 1985 to 2000. She held the title of Professor and served as the Director of our Center for the Study of Post-Communist Societies. Karen left the University of Maryland and accepted a position as the first Walter E. Havighurst Professor of Political Science in the Department of Political Science at Miami University in Oxford, Ohio and was the founding Director of the Havighurst Center for Russian and Post-Soviet Studies.

She was a major scholar in comparative politics, an influential public intellectual, and a mentor to generations of undergraduate and graduate students. An expert in Russian politics and the rise of Vladimir Putin, Dr. Dawisha leaves an extraordinary legacy that will continue to shape the field for years to come.

We will wrap things up this academic year with our GVPT “End of Year Reception” on Study Day, May 11th at 12:30pm in 1101 Morrill Hall. We will announce the 2017-2018 departmental, college and university awards listed below. You will also have the opportunity to meet our Commencement Speaker as well. I hope to see you there.

The GVPT Commencement ceremony will take place on Monday, May 21st, 2018 at 12:30PM in the Armory. If you are a volunteer, thanks very much! If not, please consider being a part of this very important event in the lives of our students and our department in the near future.

Government and Politics, CAPC, and CIDCM/MIDCM all participated in Maryland Day 2018 on April 28th. Many of the attendees took our “U.S. Citizenship Test” and the “name the country flag” quiz to win our GVPT pens and GVPT phone wallets this year. Those who dropped by the CAPC site played a new game “Fact from Fiction in U.S. Politics: Who Can Tell the Difference?” where guests tried to discern a fake headline from a real headline in a trivia challenge with increasing difficulty. Thanks to all the students, staff, and faculty who made it out this year to help at our tables, and thanks to all those who attended and made this event possible.

On April 8th, Team GVPT participated in the Credit Union Cherry Blossom 10 Mile Run for the fifth year. We placed 1st in the new “Educational Institutions” division of the CUCB team competition! Frances Lee, Kelsey Hinchliffe, Jared McDonald, Mike Mansfield, Jennie Wallace (not shown), and Haley Auguston, and I all participated.

Thank you for following us and for a wonderful semester and our next newsletter will be available in September at the beginning of the Fall 19 semester.

MESSAGE FROM THE PLACEMENT DIRECTOR

As Placement Director, I am here to help with any issues related to job searches and career planning more generally. Please feel free to ask me questions about any aspect of the process – from thinking about what type of job to pursue, to applying and interviewing, to seeking job outside academia. I am happy to comment on CVs and job application materials.

For students not yet on the market, don't wait to ask your questions and learn about the process.

Anyone on the market this year who receives an invitation to interview should immediately contact me to arrange a practice job talk.

Maryland has recently placed graduate students at top departments for tenure-track jobs and post-docs, and I look forward to helping to continue this trend.

STAFF AND ADMINISTRATION

MAKE-UP EXAMS (Proctoring)

The main office staff does not proctor or oversee make-up exams. Make-up exams will not be held in the GVPT main Office Conference Room.

RETURNING STUDENT PAPERS

The main office staff does not collect or return student papers. If you want to provide a pick-up service, give the students a time when you will be in your office for them to pick the papers up. Leaving papers out for the students to flip through is a violation of student privacy. The best suggestion is to ask the students to provide a self addressed and stamped envelope and you will return the papers to them.

INSTALLING Personal Network Devices IS PROHIBITED

Please refrain from connecting your own networking devices to the campus network. Not only is this a violation of the Policy on the Acceptable Use of Information Technology Resources (<http://www.nethics.umd.edu/aup/>), but also could cause much disruption to you, your colleagues, and our students. Such disruptions may be as serious as multi-building wide network outages (i.e., entire building data and voice services become unavailable).

If such a device is found on the network (i.e., a wired or wireless device that can hand out IP addresses) the device owner will be referred to the Division of IT's Security Office and their device will be confiscated.

If you have needs that you feel the campus network cannot fulfill, please contact OACS. We will work with you and our network and security offices to devise a networking solution that works for you, yet is in compliance with the campus' security rules and regulations.

FIELD UPDATES - WORKSHOPS and SEMINARS

AMERICAN POLITICS FIELD - WORKSHOPS and SEMINARS

The American Politics Workshop is a bi-weekly research colloquium for faculty and graduate students. The workshop constitutes an ongoing research community where participants present and discuss papers in an informal, supportive environment. Papers are made available via the workshop website in advance of our meetings, and participants are expected to have read them. Discussion leaders are assigned on a rotating basis, matching papers with discussants who share complementary research interests. Many of the papers presented in recent years have gone on to publication in top tier political science journals.

The workshop is especially beneficial for our graduate students. It provides an excellent opportunity to interact with the American Politics faculty outside of the classroom and, for advanced graduate students actively engaged in scholarly research, the workshop can also be an invaluable source of professional advice. The American Politics faculty strongly encourages all of our graduate students to regularly participate in the workshop.

The AP Workshop website is: <http://www.gvpt.umd.edu>. Click the research tab and then select the American Politics Workshop.

Workshops are held from 11-12:30pm at the locations listed by date. While the workshop focuses on issues in American politics, all faculty and graduate students are welcome to attend.

COMPARATIVE POLITICS FIELD – WORKSHOPS and SEMINARS

Throughout the course of the semester we will hold periodic gatherings for the comparative field, including social events, speakers, and special topic seminars (e.g. how to do research in the field, how to get grants to go overseas). The comparative subfield is putting together a stellar lineup of guest speakers for the Fall. Although the Comparative Politics Workshop focuses on comparative politics, all faculty and graduate students are welcome to attend. **Workshops are held from 11-12:30pm.**

INTERNATIONAL RELATIONS FIELD/CIDCM – WORKSHOPS and SEMINARS

At the CIDCM/IR Workshop, researchers' present work-in-progress on all topics related to international relations. The research presented often, but not exclusively, focuses on issues related to state development and the causes and prevention of conflict between and within states. The workshop prides itself on showcasing work that is novel, methodologically rigorous, and crosses traditional subfield and disciplinary boundaries.

Workshops are open to all who are interested, especially members of the GVPT department and faculty from related departments and schools. They are generally held 5-6 times a semester, on Mondays from 11:00-12:15 p.m. in 1109 Chincoteague Hall.

See the schedule below for specific details of a presentation. If you have questions please e-mail cidcminfo@umd.edu. If you would like to present a paper, please e-mail [Professor Kathleen Cunningham](#).

Spring 2018 Workshop Schedule:9-Apr Kaitlyn Webster (Duke)

Please watch for emails and newsletters for panels as we schedule them. All graduate students and faculty are welcome, especially those with some interest in wars and/or game theory. A lot of really clever work has been done recently in this area. So even if you don't care at all about wars, and couldn't care less about game theory, you should come just to find out what is going on.

For more information contact Professor James Glass jglass1@umd.edu.
